

L.O.G.S. (Learners Opportunity Group Society)

June 2020

An open letter to all the Band Councils and communities of the Upper Skeena region:  
Anspayax, Sik E Dakh, Gitanmaax, Old Hazelton, Two Mile, Hagwilgyet, New Hazelton, South Hazelton, Gitsegukla, Gitwangak, Kitwanga, Gitanyow

Does your community value the services the Book Bus provides?

- Literacy skills encouraged with free reading materials
- Established connections throughout the Upper Skeena
- Delivering books into the hands of readers and readers-to-be
- Outreach without prejudice for all ages and stages of learning
- Literacy tutoring

The Book Bus does plan to return to communities as safety measures allow. We have begun with the Farmers' Market on Sundays. It's a joy to see people again while still practicing distancing, use of masks, hand sanitizer, and extra cleaning.

In the meantime, we are considering creative ways to grow the service to be even more inclusive.

You can help by installing book boxes in your community to be filled regularly by our Book Bus driver. These mini libraries need to be accessible, outdoor, and waterproof. Ideas for mini libraries can be found on the Internet. Be creative! Showcase some local talent!

Please consider L.O.G.S. Book Bus as a partner in delivering literacy support in your community and contact us for help with resources and tutoring.
